NEGAR NOURI NESHAT

GAME DESIGNER | GRAPHIC DESIGNER | ARTIST

ABOUT ME

My name is Negar, a designer born in Iran in the year 2000, currently residing in Malaysia since 2011. I'm excited to share with you my passion for games as well as game design, graphics works, murals, paintings and many more. I have loved games since I was young and have been creating games since 2021 and gaining valuable working experience since 2020.

EXPERIENCE

Art Teacher - Jane Yap Atelier   Sep 2022 - Present

I am a part-time during weekends, I teach 4classes/day with 4 students each, aged from 4 to 10 years old, focusing on drawing and painting based on class themes.

3D Artist - XTREME Spectrum   Oct 2022 - Feb 2023

In a freelance remote role, I specialized in creating realistic 3D furniture models based on provided reference images utilizing 3D Max and V-Ray render.

Freelance Mural Artist   Nov 2021 - Sept 2022

I left my artistic touch in diverse locations in Kuala Lumpur:
- An ice cream-themed staircase at Cream Factory SS15
- Spray-painted hearts at Good Friends SS15
- A logo drawing at Chachi SS15
- Three unique murals at TS Cafe Ampang

Graphic Designer - Rocket Bunny   Jan 2021 - Oct 2021

I handled social media content creation for Instagram and Facebook, including photography, videography, logo designs, mockups, and more.

Animator - EC-Council Global Malaysia   Jan 2020 - Jan 2021

I was primarily responsible for producing and editing educational videos on cyber security using Powtoon. I used Illustrator and Photoshop to produce visually appealing graphics for the videos.
